Trudy was great! I would most definitely trust her with watching my guy Moose again. We had an initial meet and greet to make sure we thought it would be a good fit and to see how the dogs got along, which was great. It made me feel comfortable with where he would be and what his stay would be like. She was timely in communication and overall took great care of him.  
We loved having Moose stay with us! We hope to have him stay again in the future!

Trudy is awesome!! So thankful for her and for opening her wonderful home to our pup! He was treated like their own! Nothing better than knowing your pup is comfortable in someone else's home while you're away! I highly recommend her and appreciate her hospitality! We will definitely be using her again and again!! :)

Trudy has been a Godsend! I had a family emergency and needed to leave without notice and she was so accommodating. She's been loving on my Brownie baby and he's been Soo happy in the multiple picture I've received. And when I had to stay later, she stepped up and said it would be no problem to care for my fur Baby. She came through for me. Very kind, great listener to my baby's needs. I highly recommend Trudy.  
Thank you so much for the kind words! Brownie was such a joy to watch. I look forward to seeing him again!

Trudy was absolutely wonderful and so easy to setup with her, very responsive, even sent pics during our dog's week-long stay. We did a meet and greet beforehand. Drop off and pickup was easy. Trudy was amazing and our dog seemed to have a great time! Our initial dog sitter plans fell through so we needed to find another plan quickly and it was over the holiday weekend! Trudy was so accommodating in figuring out our dropoff/pickup timing and was extra attentive to our dog's fear of fireworks. We definitely hope to have her watch our dog again on our next vacation! Thank you for your kind words! We enjoyed having Piper here and look forward to seeing her again.

We had a last minute trip come up, and needed a new place to board our almost 2 year old lab. We did a meet and greet with Trudy and she was phenomenal right off the bat. Dakota felt very at home and safe immediately. She took extra care of him during the holiday fireworks. Upon pick up, he was so happy he barely wanted to leave! Definitely recommend Trudy. Thank you Ryan! We really enjoyed having Dakota here. We're looking forward to seeing him again soon.

What a pleasure it is to provide a wonderful review for Trudy. She has watched my Golden Retriever Lady, our cockatiels, and our cat. She is kind, gentle, patient, reliable, and truly loves animals.

I have known Trudy for over 25 years. She has always had loving pets and treats animals like family. My dogs adore her and wait by the door when she visits. I highly recommend her as a pet caregiver.

I have two rambunctious dogs who adore their 'Aunt Trudy.' She gives them love, attention, and patience. I trust her completely with my pups, and she never minds the fur or slobber — she just loves dogs that much!
